Keldmarsh School is a Community School, with 200 children currently registered in seven classes, some of which have mixed age groups.

Our aim is to provide the very best opportunities for each child to develop their full potential whether it may be academic, sporting or creative. It is important that they enjoy school, work hard and feel a real sense of achievement.

We seek an excellent and highly motivated person to provide one to one support for a statemented pupil currently in Key Stage 1 who is likely to progress to Key Stage 2 in September 2010.

At Keldmarsh School we encourage children to care, share and respect and we strongly believe that if everyone works as a team the school will be a happy place where everyone can do their best. Therefore it is really important for home/school links to be strong so that we can achieve all that we want for our children.

If you are interested then please forward your application either to the school office or online by the 6th March 2010.
